JAPAN AWAITING WORD FROM U. S. TO DECIDE COURSE

France Reported Favoring Intervention in Siberia, With Britain Holding Off.

TOKIO, March 12 (United Press).—France favors, unconditionally Japanese intervention in Siberia, according to authoritative information here to-day. Great Britain's attitude, however, is contingent upon America, which fears arousing united Russian hostility, according to the same source. Pending word from Washington.

the foreign advisory council postponed its special meeting. The ministry is undecided concerning opinion abroad.

Political students expect intervention within a month. The press is more prudent in its forecasts, although the extreme tension is illustrated in a story from a British source, published in the conservative Jiji, that the Germans have succeeded in transporting, in parts, five submarines to Vladivostok. The newspaper declares that Japan is the only power which can check the march of Germany.

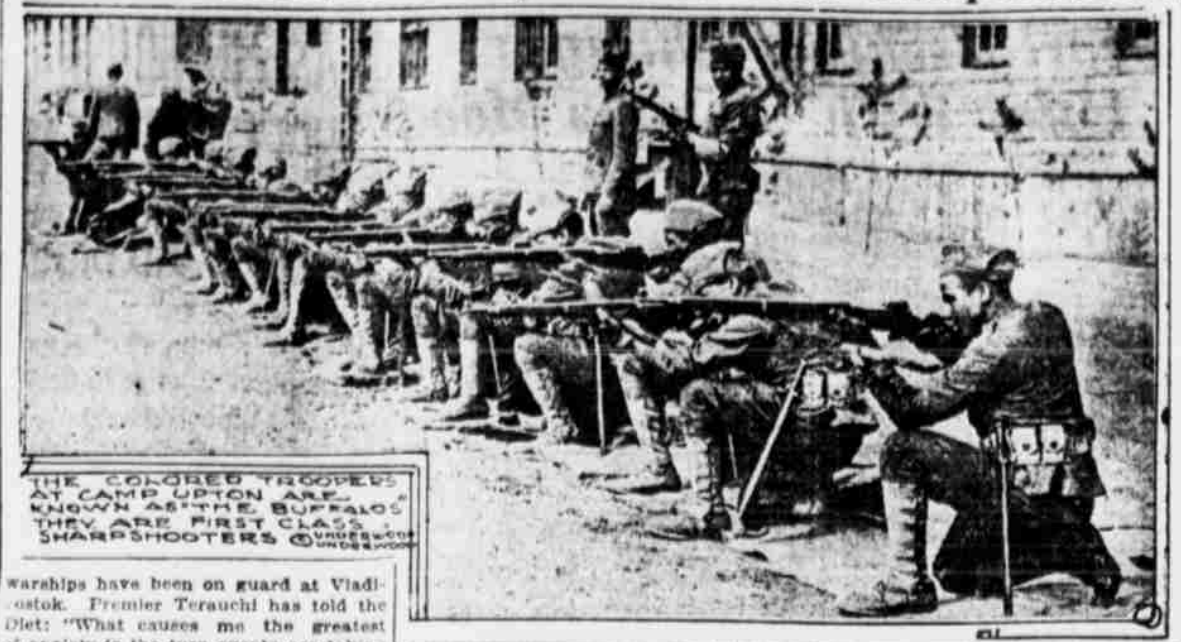

The fear is growing of the danger from enemy war prisoners in Siberia, thousands of whom have been freed.

Japanese Warships on Guard at Vladivostok.

TOKIO, Feb. 22 (by mail to United Press).—No attempt is made here to conceal the fear that increasing chaotic conditions in Russia and the extension of Bolshevik and enemy influence into Siberia constitute a genuine menace to Japan and the Far East.

For the last several weeks Japanese

warships have been on guard at Vladivostok. Premier Terauchi has told the Diet: "What causes me the greatest anxiety is the turn events are taking in Russia." And now regulations governing the entrance of aliens into Japan have been severely tightened so as to bar, so far as possible, the influx of enemy and Bolshevik influence.

At Nagasaki are 300 American railroad workers, brought to Japan because Bolshevik disorder prohibited any attempt to rehabilitate the Trans-Siberian railway. The railroad men have been clamoring for "action."

3,000 LITHUANIANS HERE PLEDGE SUPPORT IN WAR

Convention at Garden Theatre Asks Wilson to Help the Nation Gain Independence.

Help to the war-stricken people of Lithuania and complete support to the United States in the war were pledged today by 3,000 Lithuanians at the opening of a two-day convention at the Garden Theatre. Resolutions were adopted asking President Wilson to help Lithuania gain its independence after the war.

Delegates are here from all parts of the United States and they represent between 200,000 and 300,000 Lithuanians in this country. Julius Kaupas, editor of the Brooklyn Lithuanian newspaper Garzas, presided.

After praising President Wilson as the champion of the small nations, the convention called on him and all the Allied and neutral powers to see that Lithuania becomes an independent and sovereign democratic state and that it has representation at the International Peace Congress.

Mayor Hylan has been invited to address the convention to-night, and other speakers will be Lincoln Steffens and Dr. Isaac Hourwich.

FIVE DETECTIVES DEMOTED; GRIFFIN ORDER REVOKED

Sleuth Who Recovered Harriman and Stokes Jewels Scratched From Transfer List.

A bombshell hit the Police Department to-day when three first and three second grade detectives were swept out of the Detective Bureau and sent into the street.

Then another surprise followed the sweep when announcement was made that the demotion of Detective Sgt. George Griffin, who was one of the six included, had been revoked. Griffin has been in the Detective Bureau for thirteen years and has had a hand in the turning up of nearly every jewel robbery in that time. He recovered the stolen jewels of Mrs. E. H. Harriman, valued at \$69,000, and those of Mrs. W. E. D. Stokes, which were stolen from her on a Pullman sleeper and which were worth \$50,000.

The others transferred from the bureau are: First Grade Detective John Morrell, sent from the Bronx Bureau to the Alexander Avenue Police Station, reduced from \$2,450 to \$1,500; Adolph Blahn, transferred to patrol duty at the Clinton Street Station, reduced from \$2,450 to \$1,500.

The second grade men reduced are Herman Kahn, a sergeant, sent to West 20th Street; John Watson, transferred to the Alexander Avenue station. There are no reductions of salary among this lot.

TOLMAN, LOAN BARON, LEFT AN ESTATE OF \$4,000,000

Administrator's Application Shows Widow Needs \$1,500 a Month and Son \$3,000.

Daniel Tolman, "king of the money lenders," who died in Montreal, N. J., Feb. 12, left an estate of \$4,000,000. This was revealed to-day when Robert J. Edwards, temporary administrator, obtained an order from Surrogate Fowler directing the Phoenix and Chatham National Bank to honor his checks.

Katherine O. Tolman, widow of the "loan shark," needs \$1,500 a month for her personal expenses, and Elmer E. Tolman, of Chicago, his son, requires \$3,000 a month, according to the application made by Edwards. He said \$500 a month more was required for office expenses in closing the estate. The present income of the estate is \$150,000 a year.

It was in October, 1913, following his trial for usury, that Justice Zeller sentenced the aged "banker" to six months in the penitentiary. He refused to sanction the effort of his friends and relatives to obtain a pardon for him, saying he would rather serve his sentence than "forego his manhood."

FORMER WALDORF PHONE GIRL SUED BY MRS. DOUGHERTY

Divorced Wife of Prominent Broker Demands \$100,000 Heart Balm From Ruby Buchanan.

A year ago Frances B. Dougherty went to the Supreme Court and obtained a divorce and \$50,000 in alimony from Theodore Dougherty, member of the shipping brokerage firm of J. P. Whitney & Co. of No. 16 Bridge Street. Ruby Buchanan, a former Waldorf telephone girl, figured as co-respondent.

To-day Mrs. Dougherty made another trip to the Supreme Court, leaving behind her papers which, she hopes, will result in adding \$100,000 more to her fortune. The present suit is brought against Ruby Buchanan and charges alienation of the broker's affections.

Mrs. Dougherty's complaint alleges that Dougherty and the former co-respondent are living as man and wife despite Justice Cobalan's order forbidding him to marry again.

A Peking despatch dated March 8 reported the capture of the engineers by Chinese bandits while an engineering party was on its way to inspect a proposed railway site in the province of Hunan. RECIPE TO DARKEN GRAY HAIR

A Cincinnati Barber Tells How to Make a Remedy for Gray Hair.

Mr. Frank Harbaugh of Cincinnati, O., who has been a barber for more than forty years, recently made the following statement: "Any one can prepare a simple mixture at home, at very little cost, that will darken gray hair, and make it soft and glossy. To a half pint of water add 1 ounce bay rum, a small box of Barbo Compound and 1/4 ounce glycerine. These ingredients can be bought at any drug store at very little cost. Apply to the hair twice a week until the desired shade is obtained. This will make a gray haired person look twenty years younger. It does not color the scalp, is not sticky or greasy and does not rub off."—Adv.
